WINNERS SPEAK...

"Any serious Civil Service aspirant who wishes for a professional coaching, would be heading to Delhi. But down south, here at my neighbourhood, Amrita Civil Service Academy provides all the facilities to crack Civil Services exams with ease. I believe, the experienced faculty and great infrastructure provided at the academy is one of the best in the country. I am very happy that I got an opportunity to utilise the excellent infrastructure to the fullest."
- Shikha Surendran, AIR 16 2017

"I think the facilities and the study space at Amrita Civil Service Academy made all the difference in my preparation for Prelims and Mains. On many occasions, I would stayback at the academy - late into night - to fully engross in my studies. The favourable environment contributed significantly to my success."
- Sathish B Krishnan, AIR 125 2017

"The model interview sessions conducted by Amrita Civil Service Academy equipped me to face the real interview. The interview was so focused that I got personal guidance even for minute details like modulating my voice to answer the question. The one-to-one guidance I got was of immense benefit in facing the interview panel."
- S. Susree, AIR 151 2017

LIVE YOUR CAREER DREAM WITH AMRITA

These days, a career means more than the earning. Perhaps, more than personal prospects. Across the world, aspiring young talents dream of making a tangible difference in the society which nurtured them, in which they live.

There are many ways to accomplish this goal. In India, the Civil Service gives the perfect opportunity for those who wish to make a difference, as a multi-dimensional change agent. Precisely why, recent years have witnessed a growing increase in the number of aspirants who enlist for the UPSC exams. We find doctors, engineers and other professionals, who, in spite of the career potential that their academic disciplines offer, choosing Civil Service. Definitely with a reason. And, with Amrita's continuously maintained top-notch global ranking position as an exceptional centre of learning, a stature achieved within a few years of its inception, adds formidable rigour to the Academy.

WHEN PARADIGMS SHIFT, MAKING THE RIGHT CHOICE MATTERS

While preparing for a Civil Service Career, seemingly toughest, making the right choice makes a winning difference. A difference which Amrita consistently makes, since its inception. Being India's leading academic institution offering higher learning and research facilities in multiple disciplines, Amrita has set trail-blazing benchmarks in Civil Services coaching. Which includes top-rated faculty drawn from IAS hubs across the country, thoughtfully designed modules, well-stocked library and above all a well thought out final interview training program - all meant to equip the aspirants for success.

SUCCESS TASTES BETTER, WITH UNFLINCHING SOCIAL COMMITMENT

Success in life is often not an end in itself. Knowledge, power grows in dimensions, when we invest the same for the betterment of the society. With compassion, commitment, understanding and a willingness to push the boundaries for the ethos we believe in and live for.

At Amrita, this understanding is the leading light, as the institution is focussed on moulding socially committed Civil Servants, who, with the power invested in them, strive to create a better India. An India, where unity, solidarity, equality, gender justice, common well-being and glory for which the land is celebrated for since ages, turn a living reality. Not just for today, but for tomorrow as well.

So come. Arise. Awake. Let's be the change that our country yearns for!

OUR ADVISORY PANEL

A distinguished panel of retired civil servants guide all academic programs at Amrita. Students have opportunities to interact with them extensively and benefit from their insights and wisdom gained from years of experience in government, policy making and national service.

FACILITIES

LIBRARY

The Academy has a well maintained library with valuable information resources, services and facilities. The library consists of good number of reference books, text books, journals, periodicals, magazines and all major national dailies. The library also has a number of journals and magazines for Civil Service preparation which serve as a repository of information of current affairs and all subject related matters in brief.

READING ROOM

The Academy has a well-furnished reading room to facilitate longer and efficient self-study hours for its students, with convenient timings and helpful personnel. The reading room will remain open between 7 am and 10 pm.

SMART CLASSROOMS

Amrita has incorporated modern air conditioned class rooms, well-furnished and equipped with state-of-the-art e-learning facilities. This facility enables students to avail sessions from any part of the country.

FREE WIFI FACILITY

The academic premises are Wi-Fi enabled and students are given individual logins to access internet services on any of their registered devices.

ACCOMMODATION, FOOD AND TRANSPORT

To cater to the needs of outstation candidates, the Academy provides separate accommodation facilities for ladies and gents. The charges for these facilities are fairly moderate. The Academy has deputed dedicated staff-members for care-taking and overseeing hygiene and comfort in the living quarters. Infrastructure will include well-furnished rooms, reading room, dining area and recreation facilities. Food is prepared under hygienic conditions and served in the student dining halls. Amrita provides to and fro transport facility from the hostel to the Academy.

OUR SUCCESS SO FAR

Amrita Civil Service Academy, the finest when it comes to Civil Services exam coaching, has been creating winners since its inception in 2015. Our quality academic processes, interview guidance programs and mentoring by academicians and veteran tutors drawn from across the country helps our students to crack the exam – considered the toughest – with ease. The 42 Success Stories testify our competency at the highest levels.

ONE IN MILLIONS

Nurturing hope, every year thousands of young Indians prepare for and appear in the Prelims and Mains. But, many find it very difficult to cross the biggest hurdle - the Personality Interview. Precisely why Amrita Civil Services Academy has conceptualized and initiated 'One in Millions' program. The core of this program is the 'Interview' conducted by a panel of distinguished Civil Servants, to train IAS aspirants. The real time comments and feedback of the panel has boosted the confidence of the candidates, enabling them to perform exceptionally well in the actual interview and get into the rank list. Regularly telecast on Amrita TV, the highly popular program inspires a growing number of youth to choose Civil Service as their career.
