"It was during the pandemic that I joined Amrita through Online Prelims Cum Mains Program. It helped me to understand UPSC syllabus and get a competitive edge that finally helped me clear the Exam. The videos offered helped to get clarity of concept and a good base.

The questions in the Prelims Test Series were similar and close to UPSC standards. Taking both Prelims and Mains Test Series helped me to manage time and handle pressure.

Amrita's Main Test Series gave me the right orientation to structure my answers with keywords and helped me to build knowledge and improve the standard of my answer. Individual mentorship, Timetable and Test Series by Amrita is what I followed. I am grateful to all faculties, especially to my mentor, Ambu Sir."

The results speak for themselves, as my scores significantly improved compared to my previous attempts.

Thank you Amrita Academy!"
