SUCCESS STORIES

It was during the pandemic that I joined Amrita through Online Prelims Cum Mains Program. It helped me to understand the UPSC syllabus and get a competitive edge that finally helped me clear the Exam. The videos offered helped to bring clarity of concept and a good base.

The questions in the Prelims Test Series were similar and close to UPSC standards. Taking both the Prelims and Mains Test Series helped me to manage time and handle pressure.

Amrita's Main Test Series gave me the right orientation to structure my answers with keywords and helped me to build knowledge and improve the standard of my answers.

Individual mentorship, Timetable and Test Series by Amrita are what I followed. I am grateful to all faculties, especially my mentor, Ambu Sir.

CSE 2021 PCM 2021 Batch Student

I would like to sincerely express my gratitude to Amrita IAS Academy, faculty and support staff for all their efforts during my preparatory phase in civil services.

The Mains Answer Writing Program I attended for two consecutive years was the bridge to transition my rudimentary answers into a format which met the standards of UPSC. Further, inputs from faculty members helped me to fine-tune my preparation and stay motivated during the process. The interview guidance program offered multifaceted support - mock interviews, psychological well-being, answer structuring and interactions with officers - all key to understanding what the personality interview demanded.

Thank you to everyone once again!
