Driven by Expertise, Defined by Success

I am incredibly grateful to the Amrita IAS Academy for its support throughout my UPSC journey. I want to express my deepest gratitude to the dedicated staff, particularly Jayakumar sir, Mathew sir, and Atul sir, whose invaluable assistance has been instrumental in helping me achieve my goals.

Rohith Jayaraj, IFoS
PCM Student

Amrita was the only institute offering online classes then, which led me to join. The journey that followed was truly rewarding, and I learned immensely from both the classes and the interview program.

Akshay Dileep, IRS
PCM Student

I connected with Amrita IAS during the open test in the Prelims Test Series. Amrita's prelims tests were very useful to me, and many questions repeated in the UPSC Prelims. Later, I took part in the one-on-one sessions and mock interviews for the interview guidance program, and Amrita's mock sessions were highly beneficial. I received a cordial board, much like a real interview. Thank you, Amrita IAS
